Aidan Dennis, Markdale, ON

Hi, my name is Aidan Dennis from Markdale, Ontario. Seasons change and so do my hobbies. With Christmas, I help my dad and grandparents with our horse-drawn wagon rides in neighbouring towns, followed by sleigh rides all winter. Spring brings new foals and halter breaking them can be a challenge. I volunteer in the food booth at the Ontario Horse Sale and Pull in March. In the summer, I love my baseball on a softball peewee team, and my four wheeler and haying with the John Deere tractors. In August I assist as a volunteer at the Markdale Fair all weekend, and show my horse on Saturday. I made our High School football team in grade nine, and play as a defensive player. We attended several fall fairs where I showed either Dottie or Judy. Winning at the Royal Winter Fair was the highlight of my Junior showing days. Next year, I look forward to the Senior Division.
