

2016 **Res Champion (tied)**, SR Central
Clayton McWilliams, Navan, ON

Hi, my name is Clayton McWilliams, this year I helped my family's breeding program raise 10 foals either by waking up in the middle of the night to check on the mares close to foaling time, or training them to lead. This show season was a very short one for me, as a result of working a full time job over the summer, unfortunately I was only able to attend two shows but I still enjoyed myself immensely. I would like to take this time and thank Dave and Erika Zister, for giving me the opportunity to help with their 4 horse hitch of Belgian mares at the Royal. I also participated in both the Ontario Belgian Horse Association and Carson's Fall futurity programs. I was lucky enough to exhibit my grandfather's 2 year old mare, Southridge Navan Dorcas, in the halter, cart and pattern classes at both futurities. I look forward to being a part of these futurity promotion programs in the years to come.
