2015 **Champion (tied)**, Senior Central Division
Stephanie Denofrio-Findlay, Stittsville, ON

Hi my name is Stephanie, I am 16 years old and I have been showing Belgian horses for the past six years. I had a great year and really enjoy showing! This year I had the privilege of being the Ottawa Valley Belgian Association Queen by supporting the Belgian breed working at various fairs distributing ribbons and trophies. The highlight of my year was a chance to ride on the winning Six Horse Hitch at our regional show (Navan Fair) and also the Eight Horse Hitch at Carp Fair. I would like to thank Stewart Crabb for always encouraging me and letting me use Maple Creek Bobby Jack and Gordon & Brenda Nesbitt & family for allowing me to show their mares and for all their support through out the year. Looking forward to the 2016 show season!
